

KAN RALLY DAY

THURSDAY
MARCH 1, 2007

Spend a day with your **KANSAS ACTION NETWORK** colleagues to share information and get opinions from Kansas Legislators on KAN's initiative to **raise the lowest state minimum wage in the country!**

KAN representatives will provide you with a basic background on the Raise the Wage initiative, share updated information, and give you the tools you need to have *informed, meaningful discussions with Kansas lawmakers.*

The purpose of KAN's Rally Day is not just to educate you, but for YOU to educate Kansas Lawmakers and let them know that you expect them to come away from this legislative session with state minimum wage of at least \$7.25 per hour (matching the current federal initiative).

PLAN AHEAD & MAKE APPOINTMENTS WITH YOUR LEGISLATORS.

Appointments should be arranged before you arrive and visits should START after 12:00 noon.
